MARRIAGES AT NEW LEBANON, N.Y.

1281917

The town of New Lebanon in the Northeast corner of Columbia County is separated from Berkshire County, Massachusetts, only by the Taconic range of the Berkshire Hills. In the first half of the 1800's the town was noted for two things: at Mount Lebanon was the largest and most important settlement of the Shakers, and at Lebanon Springs only a few miles to the North was one of the most popular Summer resorts. Some of the many hotels of that period are still standing tho showing their age. The Spa was evidently much frequented by Berkshire County people and was a favorite place for weddings.

The Reverend Silas Churchill, pastor of the Presbyterian Church at New Lebanon, kept a record of the marriages performed by him extending from 1795 to 1852. For the most of these years the record was carefully kept, but at first he did not give the residence and often the given or even the family name is missing. A copy of the Churchill record is in the Cooke Collection of early records in the Berkshire Atheneum in Pittsfield, with this note:

Pittsfield, Mass., Nov. 27, 1900

The foregoing is a copy of the records of Rev.Silas Churchill of New Lebanon, N.Y. except that he named all those present at some of the later marriages. It is copied from a certified copy from the original two small books, the copy having been made by H. L. Robinson of Cuyahoga Co., Ohio, from the original in possession of S. P. Churchill of Cleveland, Ohio, May 5, 1886. The book from which this copy was made is in the hands of Miss Anna Hull, New Lebanon, N.Y.

Rollin H. Cooke

Supplementing the Churchill records and covering the years 1832-1852 there is in the Berkshire Atheneum a record of marriages performed by Ira Hand, Justice of the Peace in New Lebanon. This has been copied from the original record by Miss Olive R. Hand of Lebanon Springs.

Most of the parties to these marriages were from Western Massachusetts and these records fill in many gaps in the Town records. I have kept the two records separate, arranging each in alphabetic order, and have made a single index of the names by place of residence, omitting those of New Lebanon itself.

I wish to thank Miss Fanny G. Clark of the Berkshire Atheneum for permission to use their copies, and Miss Mary G. Curtis of Pittsfield for invaluable help in making the compilation.
